

Stars and Stripes Across Clear Lake

Please join Boy Scout Troop 870 this year by proudly displaying our American flag along the streets of your neighborhood.

Troop 870 will place a handsome 3'x5' American flag, mounted on a 10' galvanized steel pole, curbside in a PVC pipe, in your front yard during four patriotic holidays throughout the year.

Memorial Day, May 25th
Independence Day, July 4th
Patriot Day, September 11th
Veterans Day, November 11th

The flags will be put out in advance of the holiday and fly for several days during each holiday time.

The Flag Code states, "when a patriotic effect is desired, the flag may be displayed twenty-four hours a day if properly illuminated during the hours of darkness". Direct lighting is not required. Streetlights provide the indirect lighting to help us show our respect for the flag by enabling us to always see the flag when it is flying.

If you have questions, please contact Troop 870 at Flags@Troop870wUBC.com.

Proceeds fund troop activities such as camping, high adventure, and the purchase of troop equipment. You can subscribe by mail.

Mail: Complete and return this subscription form with a check for **\$50** made payable to "Troop 870", to the address given below. We are grateful for your support of Troop 870 and appreciate your helping Troop 870 line the streets of our community with the American flag!
